Become a Friend and be part of an inspirational organisation. The Sainsbury Centre is a public art museum at the University of East Anglia, Norwich. The Centre, which opened in 1978 to house the Robert and Lisa Sainsbury Collection of world and modern European art, is a world-class Norman Foster building.

Each season there are exciting special exhibitions, which as a Friend, you can enjoy unlimited admission to for free. You will also receive concessionary rate on the entire programme of public events and gain access to events exclusively for Friends.

Friends play an essential role in the life of the Centre. If you would like to support the excellent work carried out at the Centre and help safeguard its long-term future, why not become a Friend.

Make a Difference

The closer involvement that membership brings allows you to enjoy a richer contact with the Centre's life and collections and affords us the ability to undertake projects and activities which, without your support, we would be unable to consider.

- Your support will foster our ground-breaking Education Programme, which helps the widest range of visitors to understand and enjoy world art, from 5000 years ago to the present day.
- Your generosity will help us to realise our vision to inspire people, through excellence in the care and display of collections, and temporary exhibitions.
- Your annual contribution will enable the Centre to make new acquisitions to the UEA Collection, and conserve existing works for the future.
