

## Statement of purpose

The Sainsbury Centre for Visual Arts seeks to inspire, stimulate and collaborate through excellence in the care and display of collections, temporary exhibitions, scholarly research and educational and public provision.

### **Key Aims:**

- to continue to improve standards of collection care and documentation
- to continue to extend the range and quality of our education programmes, exhibitions, research, events and outreach projects
- to enhance and extend electronic access to the building and collections
- to encourage existing visitors to use the Centre more often and to attract new audiences
- further to develop the expertise and professional growth of all staff at the Centre
- to ensure the continued financial health of the Centre, to extend its funding base and increase earned income
- to honour the vision of the founding benefactors.
